6422 Walnut Hill Ln.

## Overview

---

- I am a member of the National Society of High School Scholars (NSHSS), qualifying by having an overall high school GPA above or equal to 3.5.
- I am Edward San Roman of Dallas, Texas. I am currently working towards a Masters in Business Administration degree (MBA). In my business, I also plan on either minoring or double majoring in mechanical engineering as well.
- I am multilingual, speaking English, German, and Spanish

## Objective

---

- My objective is to accumulate job experience to make me both a more efficient worker and an asset. It is my goal to become a CEO of a major company or create a company that is able to thrive in a global marketplace.
- Currently, my objective is to transfer to a 4-year university and complete my basic studies and then attain an MBA.
